

Career Healing Coaching

Stop treating symptoms
and: *Heal the root!*

Is leadership coaching right for you?

Here are some of the most common
challenges coaching can help you solve:

- Want to be seen and acknowledged for who you are at work?
- Tired of having the same work issues?
- Worn down by never-ending anxiety?
- Wish you could set clear, confident boundaries with others?

Marie Gervais, PhD., CTD

ABOUT ME

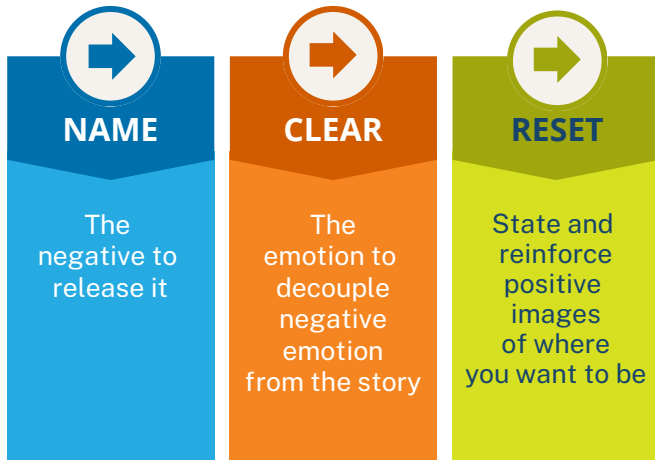

Marie Gervais, PhD, is a Certified coach (ICF) and Certified Emotional Freedom (EFT) practitioner dedicated to guiding professionals from workplace distress to career and life success through somatic and emotional regulation methods. Her approach blends spiritually and emotionally inclusive practices with hands-on, practical wellness tools that deliver real-world results.

Client love!

Here's what some clients have to say about Marie Gervais' Transformational Leadership Coaching:

RAJIV KAUSHAL
Capital Markets Transformation

Working with Marie has been an invaluable experience, one that has had a positive impact on both my career and personal life.

YASMIN BARRE
Microbiologist

Marie helped me recover from the effects of a toxic work environment. Thanks to her coaching, I was recently offered a position two-levels above my previous role.

ANGELA LITEBELE
IT Specialist

I have a new job! Thank you for all the work you did with me. I know if I didn't work with you I would never have gotten this far.
